**WARNING:** Under Virginia law, a ski area operator or other winter sports area operator is not liable for an injury to or death of a winter sports participant in a winter sport conducted at this location, or for damage to property, if such injury, death or damage results from the inherent risks of the winter sport or from the participant's own negligence. The inherent risks of a winter sport include, among others, risks associated with the land, equipment, other participants, and animals, as well as the potential for you or another participant to act in a negligent manner that may contribute to the injury, death, or damage. You are assuming the inherent risks of participating in a winter sport at this location. Complete copies of the applicable Virginia law and the participant responsibility code published by the National Ski Areas Association are available for review at each ticket sales office of this winter sports area and online at [www.WintergreenResort.com/Winter-Sports-Safety-Act](http://www.WintergreenResort.com/Winter-Sports-Safety-Act).

DRONE POLICY

Unmanned aerial drone use by guests, members or the media is prohibited without prior written approval of Wintergreen Resort. For more information visit: [www.WintergreenResort.com/Drone-Policy](http://www.WintergreenResort.com/Drone-Policy).

ASSUMPTION OF RISK

I agree to assume, on behalf of myself or the minor child for whom I represent, all risks associated with participation in snowsports and associated activities at Wintergreen, including without limitation: skiing, snowboarding, ski racing, freestyle skiing and riding, tubing and other snow related sports. In consideration of being allowed to participate and/or having a minor child participate in snowsports and associated activities, I hereby acknowledge and agree to assume these risks.

KNOW THE RESPONSIBILITY CODE

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

This is a partial list. Be safety conscious.
