Skiers and riders should be advised that a green circle, blue square or black diamond trail at Bromley is not necessarily the same as a similarly rated trail at another area. The system is a relative system that is valid only at Bromley. Skiers and riders should work their way up, beginning with the easiest trails no matter what their ability level may be, until they are familiar with the trails here at Bromley.

### Reporting Skier Collisions

VERMONT LAW requires any skier or snowboarder involved in a collision with another person which results in injury, to provide his/her name, local and permanent address to any other party to the collision and to proceed to a ski area first aid facility and provide the same information to ski area personnel.

### Your Responsibility Code

Bromley is committed to promoting slope safety. In addition to those using traditional alpine ski equipment, others on the slopes include snowboarders, telemark skiers or cross-country skiers, skiers with disabilities, skiers with specialized equipment and others. Always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Know your ability level and stay within it. Observe the Responsibility Code and share with others on the slopes the responsibility for a great snowsports experience.

1. Always stay in control and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have knowledge and ability to load, ride and unload safely.
