Ski Condition Hot Line 1-888-265-2197

About as big as it gets in the Black Hills, the "Park and Pipe" get bigger and better every year. So, if you come to Deer Mountain, you better like fun because that's pretty much all we've got!

With 45 trails, incredible terrain park and 50 big fat tubes filled with air, skiers and snowboarders aren't the only ones carving up Deer Mountain. Snowtubing is here to stay. This new snow sport is famous for big laughs and virtually no learning curve. That means that just about anyone can have a good time here.

Thinking about learning to ski or ride? Deer Mountain has an entire area that is the perfect place to start. All beginner packages include lift ticket, lesson and ski or snowboard rental.
