**Please Note** It is unlawful to access any resort lifts without a valid lift access card or season pass or with a fraudulent lift access card or pass and will result in prosecution. Lift access cards are non-refundable.

**First Aid Services** For immediate assistance and to report all accidents, please call the Ski Patrol at 717-432-1847. Emergencies can be reported to any lift operator who will notify Ski Patrol. All parties involved in a collision must exchange information and contact the Ski Patrol.

**Slow Zones** Certain areas (indicated on the map in yellow) are designated as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated and may result in termination of your resort privileges.

**Freestyle Terrain** Freestyle Terrain may contain jumps, hits, ramps, banks, fun boxes, jibs, rails, half pipes, and other constructed or natural terrain features. Prior to using freestyle terrain, you are responsible for familiarizing yourself with all elements and landings and obeying all instructions, warnings, and signs. Freestyle skills require maintaining control on the ground and in the air.

**Know the Code – Play It Safe** Skiing and riding, in their various forms, are inherently hazardous sports. Trail and slope conditions change constantly with weather and use. It is your responsibility to avoid natural and manmade objects regardless of the presence of markings or other mitigation, and to avoid and use courtesy with other people. Roundtop Mountain Resort uses many different types of marking devices to alert you to some hazards.

#### Your Responsibility Code

1. Stay in control.
2. People ahead have the right of way.
3. Stop in a safe place for you and others.
4. When starting downhill or merging, look uphill and yield.
5. Use devices to help prevent runaway equipment.
6. Observe signs and warnings, and keep off closed trails.
7. Know how to use the lifts safely.

SMOKING or VAPING IN THE LIFT LINE OR ON THE LIFT IS PROHIBITED

**Backcountry Warning** Skiing and Riding Off Open and Designated Trails: The ski area assumes no responsibility for skiers and riders going beyond the open and designated trails. Areas beyond the open and designated trails are not patrolled or maintained. Unmarked obstacles and other natural hazards exist.

**Roundtop Mountain Off Trail Policy** Wooded areas between designated trails within the ski area boundary are considered CLOSED terrain and are not patrolled and have no skier/snowboarder services. If you ski/ride in wooded areas that are not designated trails, you are solely responsible for yourself and this is considered trespassing. Failure to observe these rules will result in the loss of your skiing/riding privileges. Do not ski/ride alone. Unmarked obstacles exist throughout.

**Uphill Access Program – Hiking, Skinning, and Snowshoeing** Non-lift access to ski area facilities such as uphill snowshoeing, hiking or “skinning”, may present high danger of personal injury to participants or others. Therefore, we have designated certain trails for uphill access, which may be limited or forbidden based on conditions, on-mountain activity, and/or mountain policy. To identify those trails that are available for use, see the sign posted in Minuteman Parking Lot next to the Ski Patrol Building or call Ski Patrol Dispatch during normal operating hours at 717-432-1847. Resort rescue services are not available outside of hours of lift operations. Before you participate in any uphill activities, view our full policy at the Mountain Info tab on our website.

**Snowcats and Snowmobiles** CAUTION – snowcats, snowmobiles and snowmaking may be encountered at any time.

**Sun Protection** We recommend eye protection and sunscreen to ensure protection from UV rays.
