- ◆ 10th MT. DIVISION GLADES
- ◆ HIGH COUNTRY GLADES
- ◆ THE SLIDES
- ◆ SLIDE OUT
- SILVER GLADES
- GOLDEN GLADES

### SLOW SKIING FAMILY ZONES

Specific areas on the trail map are designated as slow and family ski areas. Please ski at a rate that is consistent with the beginner and intermediate skiers present on those trails. The Ski Patrol heavily monitors these areas and will revoke the skiing privileges of those who are considered to be skiing fast or recklessly.

SLIDES and designated GLADE SKIING areas are ungroomed natural terrain and are open subject to natural snow and weather conditions.

## LIFTS

	SLOPE LENGTH	VERTICAL RISE	CAPACITY PER HOUR
☄ CLOUDSPLITTER GONDOLA	8,487'	2,432'	1,800
Ⓜ MIXING BOWL	687'	92'	800
