## RIDE SMART

SLOW DOWN BEFORE YOU SPEED UP. Crashes can happen on your first lap. Ride the trail multiple times to get familiar with the features and equipment you're on so you can confidently push your limits without pushing your threshold. Jumping skills are required for free-ride trails.

### PRE-RIDE

Warm up the brain and body by inspecting the trail at low speed. Take the time to check your equipment.

### RE-RIDE

Lap the trail a few times and get to know the flow of the feature.

### FREE-RIDE

Start small and work your way up to faster speeds and larger features.

## IMPORTANT NOTE TO RIDERS

MOUNTAIN RESORT

## COME PREPARED

If you're going hiking or biking on the mountain, please be prepared for a day in the outdoors and don't forget these key items:

- Weather appropriate clothing; it can be about 5-10 degrees cooler in the alpine and our mountain weather changes quickly so be prepared for anything!
- Appropriate footwear - leave your flip flops at home!
- Snacks and water
- First Aid kit
- Bug repellent
- Sunscreen

## TRAIL ETIQUETTE

Please be respectful of our natural environment. Leave only footprints behind and take only pictures.

- Stay on designated trails.
- Leave all flora and fauna in place.
- Leave no trace - place all garbage in designated bins.
- Do NOT feed wildlife.
- No overnight camping.
- Allow sufficient distance when passing other hikers or mountain bikers on the trails.

## BEAR AWARE

The resort is home to several bears and other wildlife. Please use caution during your visit and obey the following:

- Keep a recommended distance of 200-300 metres from all bears.
- Do NOT feed bears.
- Always travel in groups and stay close to group members.
- Check ahead for bears in the distance. If you spot one, make a wide detour and leave the area immediately.
- Make noise as you travel; try not to scare or startle the bears.
