Hey did you know that safe skiing/riding is the law in New York State.
Visit: belleayre.com/the-mountain/about-us/safety-reminders

KNOW THE CODE
We're committed to promoting safety. In addition to people using traditional alpine ski equipment, you may be joined on the slopes by snowboarders, telemark or cross-country skiers, people with disabilities using specialized adaptive equipment and others.
Always show courtesy and be aware that there are elements of risk in skiing/snowboarding that common sense and personal awareness can help reduce. Know your ability level and stay within it.
Observe the National Ski Areas Association's "Your Responsibility Code" listed below to ensure a great day on the hill.
■ Always stay in control, and be able to stop or avoid other people or objects.
■ People ahead of you have the right of way. It is your responsibility to avoid them.
■ Do not stop where you obstruct a trail, or are not visible from above.
■ Whenever starting downhill or merging into a trail, look uphill and yield to others.
■ Always use retention devices to help prevent runaway equipment.
■ Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
■ Prior to using any lift, you must have the knowledge and ability to load and unload safely.
■ Always brake your speed when entering a SLOW ZONE. Match your speed to the flow of traffic.
■ Caution - snowmobiles, snowcats and snowmaking may be encountered at any time. Users shall adhere to all closures, warning signs and ropes at all times as well as all rules and regulations set forth in the Skier's Responsibility Code and Safety In Skiing Code Part 54 of Title 12 of the Official Compilation of Codes, Rules and Regulations of the State of New York (12 NYCRR Part 54).
