

THE KEY

- Easier
- More Difficult
- ◆ Most Difficult
- ◆◆ Caution! Extremely Difficult
- ⌚ Night Skiing Areas / Lifts

Easier Way Down:
Dashes indicate an easier way down based on the trail's degree of difficulty.

Slow Skiing Areas:
With a higher concentration of beginners in these areas, we ask that skiers and riders reduce their speed for the safety of all.

Snow Park Areas:
Terrain may include jumps, rails, boxes, spines, whales and other features.

New York state law requires that you familiarize yourself with the use of our lifts before attempting to use them. If you need assistance, please ask the lift operator for instructions.

These symbols indicate the relative degree of difficulty of a particular slope or trail compared with all other trails at Windham Mountain. If you are unfamiliar with this ski area, you should transition through the various levels of difficulty beginning with the trails marked "Easier". If you are unable to ski down for any reason, please seek assistance from a lift attendant or ski patrol.

Be advised that all fencing, poles, signage and other marking devices are in place to inform you and to indicate a potential hazard or obstacle. These markers will not protect you from injury. It is your responsibility to stay away from marked areas. The purchase of a lift ticket does not mean you have the ability or right to ski all slopes. You must stay on slopes for which you have the ability.
