Be advised that trail ratings describe the relative degree of challenge of a particular slope or trail within the Mount Sunapee trail system. Individuals must have a lift ticket to access any ski lift or ski trail on the mountain. Hiking up to access any trail or area, open or closed, at any time of the day or night, is not permitted. Lift tickets and season passes may be revoked without refund for reckless skiing and riding.

Safety First

TO REPORT AN ACCIDENT, NOTIFY ANY LIFT ATTENDANT OR CALL 603.763.3500

FREESTYLE TERRAIN

Freestyle Terrain areas are designated with an orange oval and may contain jumps, hits, ramps, banks, fun boxes, jibs, half pipes, quarter pipes, snowcross, bump terrain and other constructed or natural terrain features. Prior to using Freestyle Terrain it is your responsibility to familiarize yourself with all instructions and warnings.

- * Use of Freestyle Terrain exposes you to the risk of serious injury or death.
- * Features vary in size and difficulty and change constantly due to snow conditions, weather, usage, modification, grooming and time of day. Inspect features before use.
- * You control the degree of risk you encounter in using features both on the ground and in the air. Do not attempt features if you do not have the ability to do so.
- * Helmets are recommended.
- * Inverted aeriels are not recommended.
- * Only one person at a time on a feature. Do not jump blindly. Call your start and use a spotter when necessary.
- * Individual features are closed for a reason—do not use when closed.

YOUR RESPONSIBILITY CODE

Mount Sunapee is committed to promoting slope safety. Know your ability level and stay within it. Observe the Responsibility Code listed below and share the responsibility for a great snowsport experience.

- * Always stay in control. Be able to stop or avoid people or objects.
- * People ahead of you have the right of way. It is your responsibility to avoid them.
- * You must not stop where you obstruct a trail or are not visible from above.
- * When starting downhill or merging into a trail, look uphill. Yield to others.
- * Always use devices to help prevent runaway equipment.
- * Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- * Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

CAUTION

SNOWCATS, SNOWMOBILES AND SNOWMAKING MAY BE ENCOUNTERED AT ANY TIME.
