KEEP TAHOE Beautiful

SUSTAINABILITY & STAKE CERTIFICATION

We are committed to helping keep Tahoe beautiful and encourage guests to do their part. Help us conserve— “Drink Tahoe Tap” instead of bottled water, carpool, take the free shuttle, use our electric vehicle charging stations, and recycle. Learn about Diamond Peak’s recent certification through STAKE Certified and continuing efforts to incorporate sustainable practices into operations and education online.

GET TO THE NEXT level of fun

SKI & RIDE CENTER LESSONS

Our professional instructors, low student-to-instructor ratios, gentle slopes and friendly environment make Diamond Peak the ideal place to learn or improve your skills.

VILLAGE TERRAIN PARK

Diamond Peak’s Village Terrain Park offers features for all ability levels, from large jumps and rails to smaller snow features and boxes. Kids and riders new to terrain parks love the smaller progression area with gentle rollers and beginner features and the new Jump Start Zone.

Safety is essential when skiing or riding the parks or natural features around the mountain. Always warm up, work your way up, and follow the Smart Style/Park Smart tips to stay safe and have fun!

Features are constantly evolving throughout the season so come back often and join the community on Instagram to share your photos, videos and feedback.

YOUR RESPONSIBILITY CODE

There are elements of risk that common sense and personal awareness can help reduce. Observe the code listed below and share with others the responsibility for a great experience.

- Always stay in control and be able to stop or avoid other people/objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail, or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the ability to load, ride and unload safely.

KNOW THE CODE. IT IS YOUR RESPONSIBILITY.

This is a partial list. Be safety conscious.
