## Terrain Park – Smart Style

- **MAKE A PLAN**  
Every time you use freestyle terrain, make a plan for each feature you want to use. Your speed, approach and take off will directly affect your maneuver and landing.
- **LOOK BEFORE YOU LEAP**  
Scope around the jumps first, not over them. Know your landings are clear and clear yourself out of the landing area.
- **EASY STYLE IT**  
Start small and work your way up. (Inverted aerials not recommended).
- **RESPECT GETS RESPECT**  
From the lift line through the park.
