SLOPE SAFETY

Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross-country or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing and riding that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- 1. Always stay in control and be able to stop or avoid other people or objects.
- 2. People ahead of you have the right of way. It is your responsibility to avoid them.
- 3. You must not stop where you obstruct a trail, or are not visible from above.
- 4. Whenever starting downhill or merging into a trail, look uphill and yield to others. 5. Always use devices to help prevent runaway equipment.
- 6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Snowfields are considered part of the trail system
- 7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely. 8. It's a big mountain. Don't ski alone, especially on your last run. The mountain is not patrolled after the lifts close

This is a partial list. Be safety conscious. Officially endorsed by NATIONAL SKI AREAS ASSOCIATION, NATIONAL SKI PATROL AND PROFESSIONAL SKI INSTRUCTORS OF AMERICA.

FIRST AID FACILITY

The First Aid Facility is located at the R.H. Bell Interfaith Chapel off the Birches Slope.

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

BE ADVISED THAT ALL FENCING, EQUIPMENT COVERS, POLES, SIGNAGE AND OTHER MARKING DEVICES ARE IN PLACE TO INFORM YOU AND TO INDICATE A POTENTIAL HAZARD OR OBSTACLE. THESE MARKERS WILL NOT PROTECT YOU FROM INJURY. IT IS YOUR RESPONSIBILITY TO STAY AWAY FROM MARKED AREAS.

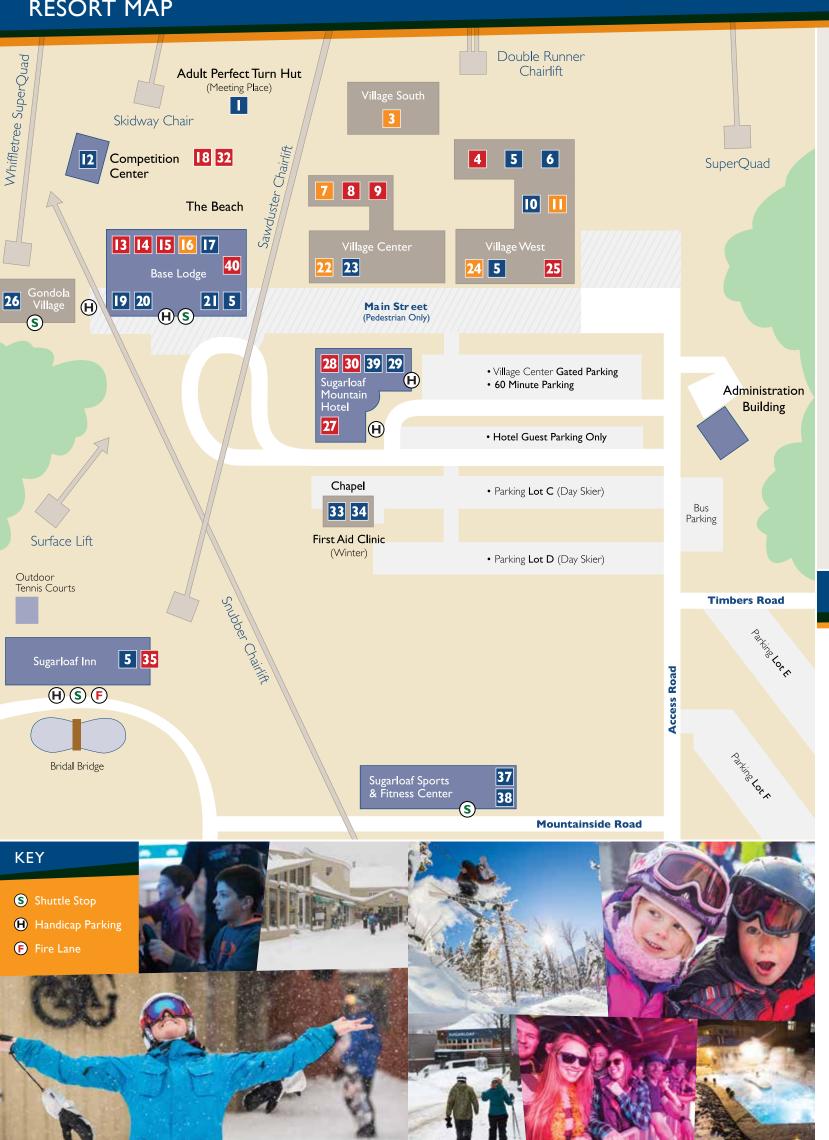

SKI WITH CARE

Alpine skiing and snowboarding are challenging and dangerous recreational activities in rough mountain forest terrain. Be alert to continually changing weather, visibility and surface conditions. Snow, ice, sheer drop-offs, bare ground, rocks, roots, stumps, trees, lift towers, ruts, bumps, snowmaking equipment, grooming vehicles, snowmobiles, other skiers, power poles and many other natural and man-made obstacles can cause permanent, catastrophic injury or death. Your safety is directly affected by your judgment. Failure to use good judgment, ski responsibly or follow Your Responsibility Code may result in the loss of skiing or snowboarding privileges. Snowmaking, grooming and ski area maintenance procedures and vehicles may be in operation at any time on open terrain. Do not ski or snowboard near such equipment.

Skiing and snowboarding in Sugarloaf Mountain's gladed terrain requires good judgment and personal awareness. Access in and out of these glades can be challenging. The gladed regions are vast and ski patrol's ability to locate lost or injured patrons may be hindered by the scope of the terrain. All skiers and snowboarders are encouraged to enter the glades in groups of 3 or more and not travel alone. Most of this area is left in its natural state. It contains unmarked hazards including cliffs, rocks, fallen trees and avalanche hazards. Sugarloaf Mountain strictly forbids skiers and snowboarders from exiting the ski area boundaries and all signs and markers must be obeyed. Glades are for expert skiers and snowboarders only and all guests who enter these areas should be familiar with the trail map and ask questions to ski patrol before proceeding. Do not enter this area after 3:00 pm.

RESORT MAP

BURNT MOUNTAIN & BRACKETT BASIN®

Environmental Stewardship on Burnt Mountain & Brackett Basin[®]

Sugarloaf works closely with state agencies and environmental consultants to ensure the protection of our unique alpine habitats. Logging buffers around streams and wetlands, erosion control, forest regeneration and skier traffic limitations are all a part of our plan to protect our indigenous plant and animal species. Our mission is simple — create a one-of-a-kind ski experience while protecting the terrain's wild character.

BRACKETT BASICS

The terrain in Burnt Mountain and Brackett Basin® is defined as "sidecountry." It offers skiers and riders a one-of-a-kind backcountry-style experience, within our patrolled terrain. The terrain varies from tight, tree skiing to wide-open western-style glades. With an entire mountain to explore, skiers will enjoy quiet solitude in this vast wilderness area, providing the sensation of a true backcountry experience.

While this new terrain on Burnt Mountain and Brackett Basin® offers opportunities for new and exciting Sugarloaf adventures, it is not for everybody. The terrain is vast, contains unmarked hazards including cliffs, rocks, and fallen trees, and should be attempted by expert skiers and snowboarders only. We want you to explore this new terrain, but there are a number of safety tips that every skier and rider should be familiar with before embarking on this new challenge.

KNOW BEFORE YOU GO

Burnt Mountain and Brackett Basin® are new to all of us. Even those who have ventured into this area before will not recognize the new landscape. Familiarize yourself with the Sugarloaf trail map before you enter, and use your first trip onto Burnt Mountain and Brackett Basin[®] to familiarize yourself with the area.

ASK QUESTIONS

If you're unfamiliar with Burnt Mountain and Brackett Basin[®], unsure if you're ready to try it out, or have any questions before you venture in, stop in at the Ski Patrol building on Spillway Crosscut and talk with a patroller.

SAFETY SIGNAGE

There is a giant sign at the entrance to Burnt Mountain and Brackett Basin[®] with a safety message. Read it. Keep your eyes open for trail signs marking the different glades, and orange discs marking the ski area boundary.

THE 3 & 3 RULE

The 3 & 3 Rule is simple: Never enter the Burnt Mountain and Brackett Basin[®] area with a group of fewer than 3 people, and never enter the Burnt Mountain and Brackett Basin® area after 3 pm.

HAVE A MEET UP PLAN

Make a plan with your group for where you will meet if you get separated. That way if you get lost and don't show up, your friends can notify Ski Patrol.

KNOW YOUR LANDMARKS

When you're in the Burnt Mountain and Brackett Basin[®] area, make mental notes of distinct landmarks as you pass them, and be aware of your location. If you should become lost, this will help you identify your location to Sugarloaf Ski Patrol.

NEVER SKI OUTSIDE OF THE SKI AREA BOUNDARY

The Sugarloaf ski area boundary is marked with brightly colored orange signs. When skiing or riding on Burnt Mountain and Brackett Basin[®], you should actively look for these boundary markers. Skiing outside of Sugarloaf's boundary is strictly prohibited.

CARRY A CELL PHONE

A cell phone will not save you in every situation, and there is no guarantee you will have service, but it can be a valuable tool if you ever need to call for help.
