|  | double barrel rainbow |  | boundary fencing |
|  | "A" frame |  | entrances/exits |

FREESTYLE TERRAIN

1. Helmets are MANDATORY
2. LOOK BEFORE YOU LEAP. Scope around the jumps first, not over them. Know your landings are clear and clear yourself out of the landing area.
3. EAST STYLE IT. Start small and work your way up.
4. RESPECT GETS RESPECT. From the lift line through the Power Park.
