## WHILE YOU'RE HERE

### PLEASE REMEMBER

### FACE COVERINGS

Guests are required to wear a mask at all times, in all locations, excluding periods when actively engaged in the following activities: skiing, riding, eating, and drinking.

### SANITIZATION

Washing your hands frequently and sanitizing often throughout the day is highly recommended. We are also performing additional maintenance and sanitization within our facilities.

### PHYSICAL DISTANCING

Please maintain at least 6 feet of distance around other guests whenever possible inside, on the mountain, in lift lines, in the base area, and in parking lots.

## New! PURGATORY CARD

The brand new Purgatory Card provides a contactless purchase and fulfillment experience for lift tickets and rental equipment designed to deliver more time on the snow.

#### YOUR RESPONSIBILITY CODE

- Always stay in control and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- Do not stop where you obstruct a trail or are not visible from above.
- Whenever starting downhill or merging onto a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the knowledge and ability to use the lift safely.
- Heads up – know the code! It's your responsibility.

#### LIFTS, TRAILS & GROOMING INFORMATION

Trail and grooming reports are available at the Ticket Office by calling (970) 385-2166, or at Purgatory.ski/snowreport.

Lift hours of operations may change throughout the season. Check daily snow report for current information on open lifts and hours of operation.

Some trails close earlier to allow riders adequate time to descend the mountain. Trails at Purgatory Resort are subject to close for various reasons such as snow making, conditions, and events.

Caution Snowcats, snowmobiles, snowmaking equipment, marked obstacles, and unmarked obstacles may be encountered at any time.			Helmet Safety			
Purgatory Resort recommends the use of helmets when skiing or riding. The NSAA recommends educating yourself about the benefits and limitations of helmets and making a choice right for you.			Tree Well Immersion Danger - Caution			
When in deep snow, never ski or ride alone, maintain constant visual contact with your partner, and stay away from tight trees and tree wells. A tree well is the hole or depression at the base of a tree. Falling into a tree well poses an extreme and immediate risk of suffocation. Visit treewelldeepsnowsafety.com for more information.			Obstacles & Hazards			
Be advised that poles, flags, fencing, signage, padding on equipment or objects, and other marking devices are used by the ski area to inform you of the presence or location of potential obstacles or hazards. These markers are no guarantee of your safety and will not protect you from injury. It is your responsibility under Your Responsibility Code to avoid all obstacles and hazards, including those that are unmarked.			Backcountry Users			
The ski area assumes no responsibility for skiers or riders going beyond the ski area boundary. Areas beyond the ski area boundary are not patrolled or maintained. Avalanches, unmarked obstacles, and other natural hazards may exist at any time. All backcountry skiers should have the knowledge and equipment to deal with backcountry hazards and situations. Rescue in the backcountry, if available, will be costly and may take time. Access to lands outside the ski area boundary is provided at four locations. See map for locations. Any ski area users leaving the permitted boundary at any other locations are subject to legal ramifications under the Skier Safety Act of 1979, House Bill 04-1393. Call 911 for assistance.
