- Caution – snowmobiles, snowcats and snowmaking may be encountered at any time.
- Always brake your speed when entering a SLOW ZONE. Match your speed to the flow of traffic.
- Ski defensively – expect the unexpected. Reckless or irresponsible skiing or riding will not be tolerated.

- Skinning uphill is permitted only during operating hours and requires a special ticket.
- Never duck a roped or signed closure.
- Don't cut in front of others in the lift line.
- Please don't throw snowballs or spray others with snow.
- Refrain from using profanity around others – Mammoth is a family-friendly resort.
- No smoking in public spaces, including lift lines.
- Focus on lift loading, not your cell phone or electronic device.

- Please don't litter. Trash and recycling bins can be found at all base lodges.
- Only service animals are permitted at the ski area.
- No sledding.

KNOW THE CODE
Skiing and snowboarding can be enjoyed in many ways. At ski areas, you may see people using alpine skis, snowboards, telemark skis, cross-country skis, and other specialized equipment, such as that used by the disabled. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below, and share with other skiers and riders the responsibility for a great skiing experience.

- Always stay in control, and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- Do not stop where you obstruct a trail, or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.
- Know the code. It's your responsibility.

- Respect capacity limits for indoor spaces, including stores and restaurants.
- Please adhere to all signage and guidelines while visiting, including those directing walking patterns and one-way entries and exits.

INFORMATION

HOURS OF OPERATION
LIFT HOURS: 8:30AM – 4PM, DAILY. Check website or mobile app for current hours. Weather and conditions permitting. Subject to change during the season.

TRAIL RATING
 Please be advised that trail rating symbols are relative to each ski area's specific terrain. A blue square trail at Mammoth could be easier or more difficult than a blue square trail at a different resort. No matter your ability, when skiing/riding for the first time on any mountain, start on the easiest runs and work your way up to familiarize yourself with the area.

Hazards and obstacles may exist throughout the season. Flags, fencing, poles, signage and padding are used by the ski area to mark known locations of potential obstacles and hazards. These markers do not guarantee your safety and will not protect you from injury. As part of "Your Responsibility Code," it is your duty to avoid all obstacles and hazards, including those that are marked.

To find the nearest base lodge while on the slopes, look for the purple sign at most trail junctions that will point you in the direction.
