WELCOME TO SUGAR BOWL

Sugar Bowl started as a family-owned resort in 1939 and proudly remains so to this day. Skiers, snowboarders and adventure enthusiasts alike have appreciated the uncrowded mountain experience offered at Sugar Bowl Resort. It's in this special place where you'll find four iconic peaks, endless cross-country ski trails, a world-class alpine ski team and academy, and the only snowbound village in America. Sugar Bowl skiers and riders honor the history of this independent resort by enjoying the purity of the mountain, which is just how the founders would've wanted it.

SKI & BOARD SCHOOL

EASY, FUN AND CONVENIENT

Sugar Bowl's Ski & Board School is the most convenient learning center in Tahoe. Our professionally-certified instructors teach fundamentals and safety during dynamic and engaging lessons, for first time skiers through advanced riders and young children to older adults.

Judah Kids is the headquarters for lesson participants of all ages and ability levels. Park your car just steps away from a one-stop lift ticket, equipment rental and lesson experience for everyone in the family. Out the door from Judah Kids is a 240' covered moving carpet, ideal for those first learning to ski or snowboard. It's the perfect stepping stone to take beginners from never-ever to a chairlift ride in the same day.

LEARN PRIVATELY OR WITH A GROUP

Sugar Bowl's private lessons provide great value and the best opportunity for progression success. Participants of all ability levels benefit from the individualized attention, customized for a couple of hours or a full day. For a more social lesson experience, group lessons are ideal for those who want to progress with others who are of similar age and ability level.
