The Murray Ridge Ski Area is located just outside Fort St. James, British Columbia just over an hour and a half from Prince George.

From Prince George, drive west on Hwy 16 to Vanderhoof. Drive through town continuing west until you reach the intersection of Hwy 27. Turn right and in another 1/2 hour or so you will be in Fort. St. James - the Murray Ridge Ski Area will be that big mountain behind town with all the runs - you really can't miss it.

If you are coming in from Fort Fraser, Fraser Lake, or any other town out west, just head north on Hwy 27 before you get to Vanderhoof.
