- Freestyle Terrain

Ski Patrol
The members and avalanche dogs of Ski Patrol welcome you to Copper Mountain. Look for Ski Patrol in black jackets and red vests with white crosses. Please feel free to ask any patroller or other mountain personnel for information or assistance.

If someone is injured or in a collision:
Cross a pair of skis uphill from the incident to warn oncoming traffic and send someone or call to report the location, type of injury and description of the injured person.
CALL SKI PATROL at 970-968-3311 or use the Copper Mountain App.

Be sure to exchange information in the case of a collision including name, phone and address.

Freestyle Terrain is divided by feature size. Start small and work your way up. Designations are posted at the entrance of each park. Feature size is relative to the size and difficulty of other features at Copper Mountain.
