Legend

Skiers should be advised that a green circle, blue square or black diamond at Keystone is not necessarily the same as a green circle, blue square or black diamond at other resorts. The system is a relative rating of trails at each resort and does not compare trail difficulty between resorts. Skiers and riders should begin with the easiest terrain and then move up in difficulty as their ability permits in order to understand the relative rating at Keystone.

KEYSTONE TOTALS

Skiable Terrain.....	3,149 acres / 1,274 ha
Vertical.....	3,128 ft / 953 m
Base Elevation.....	9,280 ft / 2,829 m
