## Snow & Lift Safety

**SNOW SAFETY:** Please review this information and check mountain weather and conditions before using any lifts for skiing or snowboarding.

Please review and abide by the Your Responsibility Code and the NYS Article 18 Warning to Skiers. Always ski or ride within your ability.

Trail conditions vary constantly with weather changes and skier use. Check the snow conditions report posted in all ticket sales locations for current updates. Watch for marking devices indicating obstacles or hazards. As well be advised of: on snow vehicles, trail maintenance vehicles and snowmaking equipment may be encountered at any time and at any location.

Occasionally lubricants may drip during lift operations, which may stain your garments. Be aware that we assume no responsibility for cleaning garments.

Always have your lift tickets or passes visible. They must be affixed above the waist area and presented to lift operations upon demand.

Before loading a chair lift, please be sure you understand loading and unloading procedures and have sufficient skiing ability. If you have any questions before entering the line, please ask the attendant. If you are accompanying small children please assist them in loading and unloading. Do not allow them to ride alone until they can load and unload without assistance.

You may not use any lift or any ski trail while under the influence of drugs or alcohol.

Uphill traffic is not allowed.

Drones or model aircraft use by guests, commercial operators, or the media is prohibited without prior written approval of Mount Peter. Visit [www.mtpeter.com](http://www.mtpeter.com) for more information.

Please note: the trail rating system is on a scale relative to the terrain at Mount Peter.

## Your Responsibility Code

**WARNING TO SKIERS:** Downhill skiing, like many other sports, contains inherent risks including, but not limited to the risk of personal injury, including catastrophic injury, or death, or property damage, which may be caused by variation in terrain or weather conditions; or surface or subsurface snow, ice, bare spots or branches, trees, roots, stumps; or other natural objects or man made objects that are incidental to the provision or maintenance of a ski facility in New York State. New York law imposes a duty on you to become apprised of and understand the risk inherent in the sport of skiing, which are set forth above, so that you make an informed decision on whether to participate in skiing notwithstanding the risks. New York also imposes additional duties upon you, to which you must adhere, for the purpose of avoiding injury caused by any of the risk inherent in skiing. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing at this area. (Article 18 of the New York State General Obligations Law).

Common Sense, it's one of the most important things to keep in mind and practice when on the slopes. The National Ski Areas Association (NSAA) believes education, helmet use, respect and common sense are very important when cruising down the mountain. NSAA developed Your Responsibility Code to help skiers and boarders be aware that there are elements of risk in snowsports that common sense and personal awareness can help reduce.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

**KNOW THE CODE. IT'S YOUR RESPONSIBILITY!**

**This is a partial list. Be safety conscious.**

51 Old Mt. Peter Road, Warwick, N.Y. 10990 Phone: 845-986-4940 [mtpeter.com](http://mtpeter.com)

### Hours of Operation:

Monday .....	10 a.m. - 5 p.m.
Tuesday-Friday .....	10 a.m. - 8:30 p.m.
Saturday.....	8:30 a.m. - 9 p.m.
Sunday .....	8:30 a.m. - 5 p.m.

\*Extended hours Friday & Saturday are until 9 p.m. through February Holiday Periods Mount Peter Opens at 8:30 a.m.
