IMPORTANT- NUMBERS

Race Course

Yellowstone Club's race course is set every Thursday through Sunday and equipped with a self-timer and quick gates. Join us for the Member Race Series, which includes several scheduled races throughout the season. For more information about the race course and Member Race Series, please contact our Outdoor Pursuits team.

Terrain Park

The terrain park is for riders of all ages and abilities to enjoy. The Sonny Boy Terrain Park located on the Sonny Boy Run, consists of rails, boxes, and other fun, medium to large-sized features. Please read and obey all posted signs, instructions, and warnings before using Freestyle Terrain.

Tubing Hill

Located in the base area of Pioneer Mountain is our popular tubing hill. Tubes are located next to the entrance of the Rental and Retail shops. Please, no ski boots on the tubing hill.

Kids Adventure Area

Scattered throughout the mountain are several kid adventure areas, filled with obstacles, trails, and warming huts. These runs are very popular among YC youth.

- Total Skiable Acreage – 2,700 acres
 - Pioneer & Andesite – 2,200 acres
 - Eglise – 500 acres
- Base Village Elevation – 7,160 feet
- Peak Elevation – 9,860 feet
- Vertical Drop – 2,700 feet
- Annual Average Snowfall – 300 inches/year
- 18 Lifts
- 100+ Runs
- Longest Run – 3.26 miles

YC offers a variety of on-snow programs for outdoor enthusiasts of all ages and skill levels. All programs emphasize safety and enjoyment, foster individual growth, and teach technique and an appreciation for the environment. For more information please contact our Outdoor Pursuits team at outdoorpursuits@yellowstoneclub.com or (406) 993-2126.

- Always stay in control. You must be able to stop or avoid other people or objects.
- People ahead of you have the right-of-way. It's your responsibility to avoid them.
- You must not stop where you obstruct a trail, or are not visible from above.
- When starting downhill or merging onto a trail, look uphill and yield to others.
- Always use devices to prevent runaway equipment.
- Observe and obey all posted signs and warnings. Keep off closed trails and out of closed areas.
- Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

While snow safety and avalanche mitigation efforts help reduce the risk of avalanches, avalanches and snow slides may occur at ski areas, both inside and outside of the posted boundaries. Avalanches are an inherent risk of the sport due to the nature of snow and its accumulation on steep, mountainous terrain. Become educated on how to reduce the risk

of injury or death from avalanches through your own actions and awareness.

Helmets are strongly recommended as they may make a difference in reducing or preventing some (but not all) head injuries. Yellowstone Club encourages guests to educate themselves on the

benefits and limitations of helmets. If you wear a helmet, make sure you have the proper fit and that it has not been damaged. Remember that wearing a helmet does not make you invulnerable to serious injuries and you must at all times ski/ride responsibly and within your ability.

EGLISE -EXPANSION-

Many of the runs on Eglise are temporarily named, please be on the lookout for opportunities to purchase the rights to name a run through the Yellowstone Club Community Foundation.
