## SEVEN POINTS TO YOUR RESPONSIBILITY CODE

Always stay in control, and be able to stop or avoid people or objects.

People ahead of you have the right of way. It is your responsibility to avoid them.

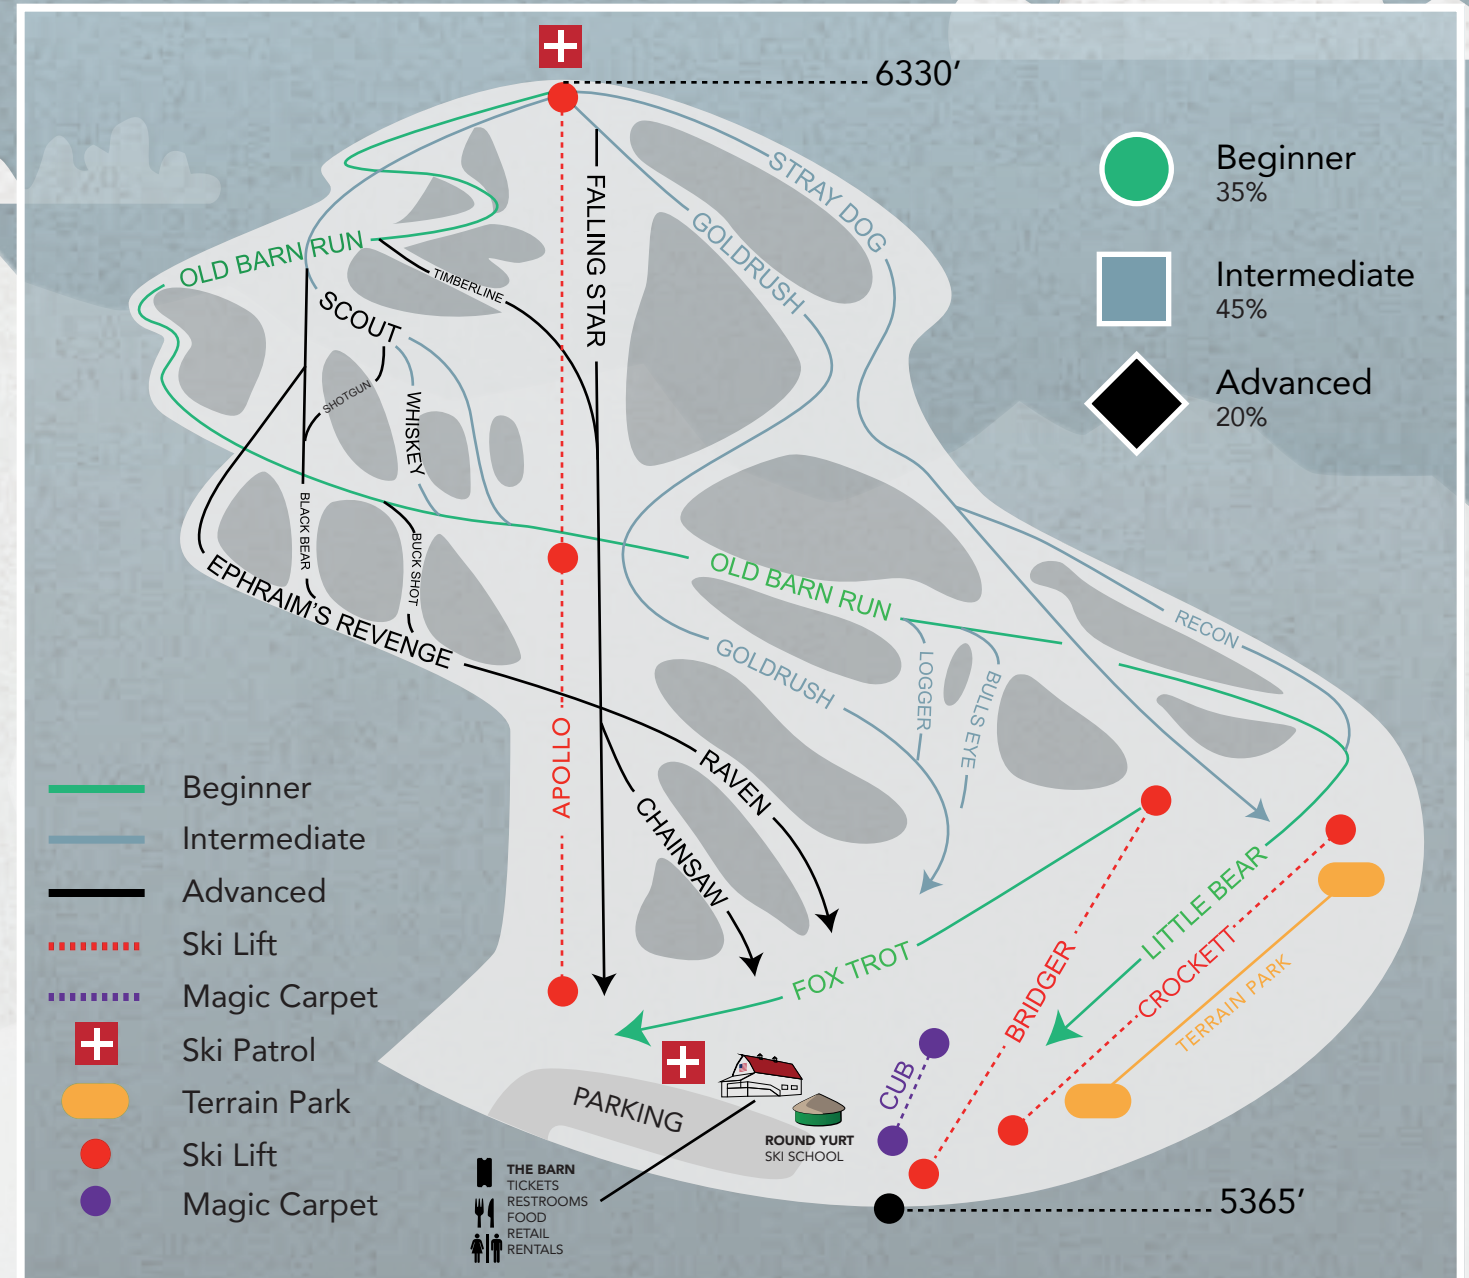

You must not stop where you obstruct the trail, or are not visible from above.

Whenever starting downhill or merging into a trail, look uphill and yield to others.

Always use devices to help prevent runaway equipment.

Observe all posted signs and warnings. Keep off closed trails and closed areas.

Prior to using any lift, you must have a knowledge and ability to load, ride and unload safely.

## NORDIC REVIEW

*"I choose Nordic Valley for the training of my Olympic Athletes, because of the perfect snow and slope conditions, the easy access to the ski area, and the cordiality of the personal working there."*

- Teresita Birkner, World Cup, trainer, since 1997. Olympic trainer since 2002.

*"This quaint little resort is one of the few remaining 'hometown ski hills' in existence. It's very much like the resorts of yesteryear. It is the perfect place to get your ski legs under you, great resort to take the whole family for a day of fun"*

- Visit Ogden
