## COFFEE MILL SKI & SNOWBOARD RESORT OFFERS THE BEST OF COULEE SKIING!

We feature the longest vertical drop in MN south of Duluth and a unique “bowl” arrangement that provides protection from the wind and allows for extra-long slopes along with the convenience of no lift lines. Coffee Mill Resort is a skiing and snowboarding experience second to none. From the gentle slopes of Chippewa to the radical pitch of O’Chute, modern snowmaking and daily grooming ensure great snow on all our runs throughout the season. Each run is obscured from the next by an abundance of birch, oak, and pine trees. This majestic setting also offers unparalleled views of the beautiful Mississippi River Valley Bluff Country.

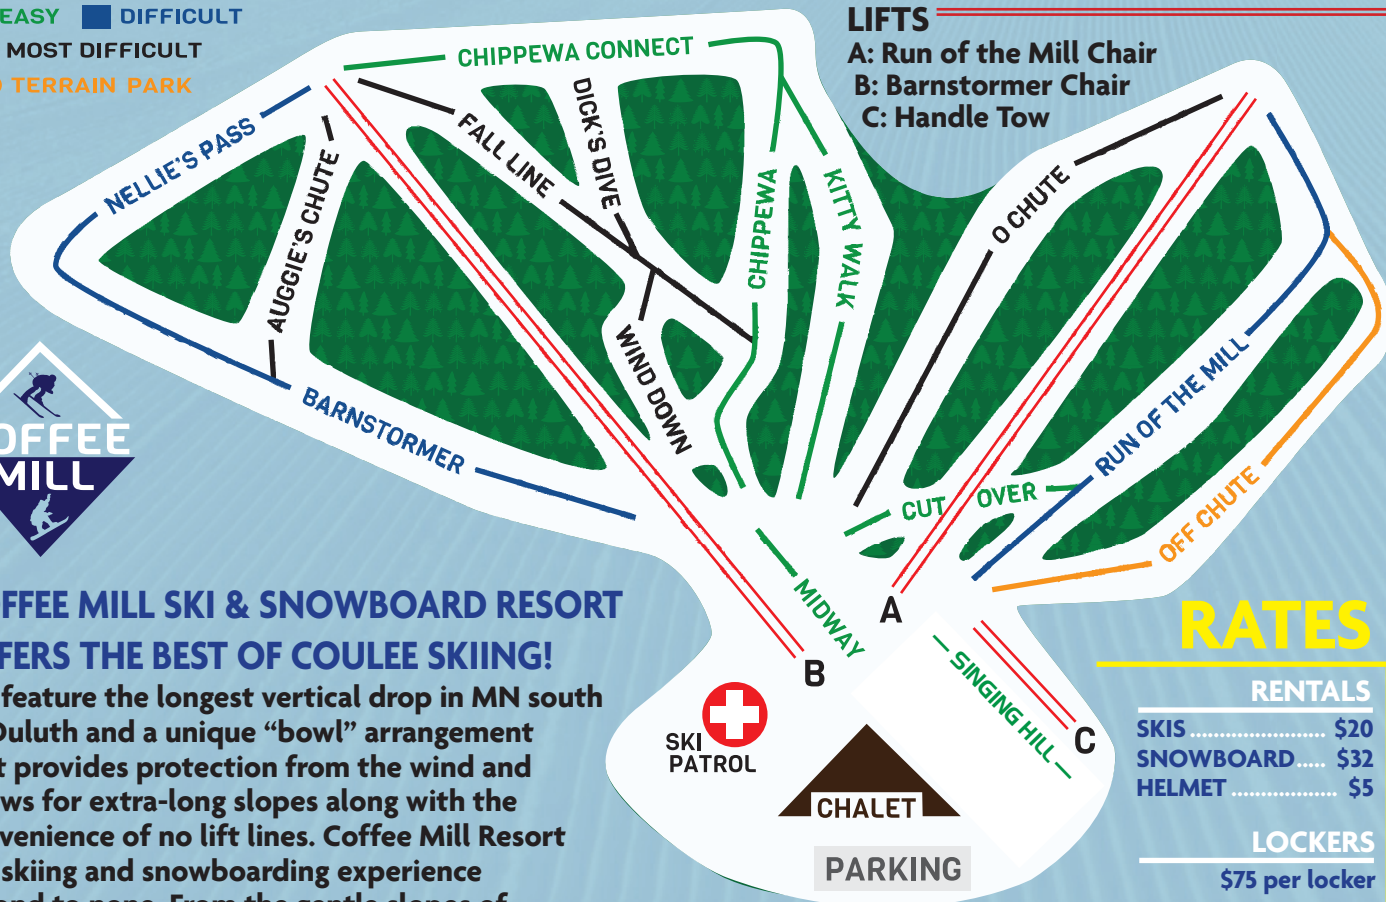

## PERFECT FOR THE ENTIRE FAMILY!

Because our slopes are designed in a unique “bowl” arrangement, all runs at Coffee Mill Ski & Snowboard Resort end in the same area, making us an easy choice for families and groups with children. We offer family season pass discounts, as well as “learn-to-ski” discounts for the first-timers. For more information, visit us online at
