|  | Ski Area Boundary |  | Ski Tickets            |
|  | Terrain Park      |  | Adaptive Ski Program   |

Please ski safely and in control at all times. Snowmaking activities are routinely in progress on slopes and trails. Snow maintenance vehicles and other over-snow vehicles such as snowmobiles may be present on any terrain at any time. Ski defensively. Look ahead and be prepared to stop.

## YOUR RESPONSIBILITY CODE

Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

Know the Code. It's Your Responsibility.

This is a partial list. Be safety conscious. Officially endorsed by: National Ski Areas Association, National Ski Patrol and Professional Ski Instructors of America.
