EXPERT ONLY

Rarely groomed and designated for expert skiers and snowboarders only. Expect unmarked obstacles.

Contains cliffs, very steep (50 degree or greater pitch) slopes, as well as rocks and other hazards. Skiing or snowboarding extreme terrain is for EXPERTS ONLY.

These designated areas contain freestyle features that include but are not limited to jumps, jibs, rails, fun boxes, snowcross, quarter pipes, halfpipes, and superpipes.
- Woodward Start & Progression Parks: The snow and features in these areas are designed and constructed to provide optimal learning conditions for skiing and snowboarding.

Freestyle Terrain is divided by feature size. Start small and work your way up. Feature sizes are posted at the entrance of each park. These size designations are relative to scale and difficulty.
- S SMALL FEATURES

M MEDIUM FEATURES

L LARGE FEATURES

Degree of difficulty ratings and symbols are relative to Copper Mountain only.

SKI PATROL

The members and avalanche dogs of Ski Patrol welcome you to Copper Mountain. Look for Ski Patrol in black and red with white crosses. Please feel free to ask any patroller or other mountain personnel for information or assistance.

If someone is injured or in a collision: Cross a pair of skis uphill from the incident to warn oncoming traffic and send someone for help or call to report the location, type of injury and description of the injured person. Call Ski Patrol or use the Copper Mountain App. Be sure to exchange information in the case of a collision including name, phone and address.

Emergency? Please call 970-968-3311
