## SUNRISE BASE

Anchored by the freshly remodeled Sunrise Lodge, the Sunrise base area is the home to Woodward at Mt. Bachelor and is the gateway to Woodward Mountain Park and the region's best beginner terrain.

### PARKING

There are three free parking lots at Sunrise: upper, middle, and lower. If you need lift tickets or rental equipment, we recommend parking in the middle lot. The lower lot provides a ski route to the Early Riser chairlift and is best for guests who already have a valid ticket/pass and their own equipment.

### TICKETS, PASSES & RENTALS

Lift tickets, season passes, and equipment rentals are available at the Sunrise Sales & Service Center on the lower level of Sunrise Lodge. On peak days, lift tickets are also available at the ticket windows on the upper level of the lodge. Buy lift tickets in advance, online, to save time and money.

### LESSONS & CHILDCARE

The Woodward Start Park and the First Rays Carpet next to Sunrise Lodge are FREE for all guests to access. We'll even have coaches stationed nearby to offer free learning tips! But to progress more rapidly and to experience more of the mountain, sign up for one of these lesson options at the Sunrise Sales & Service Center:

- BEGINNER GROUP LESSONS FOR AGES 6+
- HOLIDAY CAMPS FOR KIDS AGES 6-12
- PRIVATE LESSONS

Plan to start your day at our West Village base area if you desire childcare services, lessons for kids 5 & under, or lessons for intermediate and advanced skiers/riders of any age.

You are welcome to ride the free Interlodge Shuttle, operating twice per hour, every day, between the Sunrise and West Village base areas if you need to travel from one base area to the other.
