WARNING — DUTIES OF INDIVIDUALS ENGAGED IN SKIING OR SLEDDING:

Under Wisconsin law, each individual engaged in skiing or sledding has a duty to do all of the following:

1. Obey all posted warnings and signs.
2. Keep off of closed trails and out of closed areas.
3. Know the range of his or her ability and engage in skiing or sledding within that ability.
4. Assess the difficulty of the trails and terrains that are open to skiing or sledding.
5. Maintain control of his or her speed and direction.
6. Be able to stop or avoid other individuals or objects.
7. Yield to other individuals engaged in skiing or sledding who are ahead or who are down the slope.
8. Not stop at a point that will result in the individual obstructing a trail or not being visible from above.
9. Yield to other individuals engaged in skiing or sledding who are uphill when starting downhill or when merging onto a trail.
10. Be able to safely board, ride, and dismount any lift serving an area open to skiing or sledding.
11. Board and dismount a lift only at designated sites.

Skiers and riders should be advised that a Green Circle, Blue Square, or Black Diamond trail at your area is not necessarily the same as a similarly rated trail at another area. The system is a relative system that is only valid at this area. Skiers and riders should work their way up, beginning with the easiest trails no matter what their ability level may be, until they are familiar with the trails at the area.
