**EVEN MORE TO COME**

Future expansion on Iron Mountain will add over 250 brand new acres to explore, featuring intermediate and advanced terrain. Iron Mountain will make Utah's largest resort even larger.

**SHOPS AT THE CANYONS**

It wouldn't be a ski trip if you didn't leave something at home, or drop it from a lift. Between Canyon Mountain Sports, One Sweet Ride and Solid Edge Tuning you'll find everything you could possibly have left or lost, from the latest gear to a nice sharp edge.
