Soar

A scenic view of a snowy mountain landscape. In the foreground, a cable car is suspended from a large metal structure. The cable car is white with a blue stripe and a snowflake logo. Below the cable car, a town is visible in the valley, surrounded by snow-covered trees and mountains. The sky is blue with some clouds.

THE TRAMWAY

Soar 2.1 miles from Downtown Gatlinburg to Ober's Mountaintop Ski Area in our Aerial Tramway. It is the best way to enjoy the panoramic views of the Smoky Mountains and Mount LeConte. Our tram cars provide an amazing aerial experience for all ages, from the young to the young at heart.

Winter AT Ober

Experience wintertime in the Smokies! Whether riding the Scenic Chairlift for a spectacular panoramic view of snow-covered mountains, (as seen above) making a thrilling descent down the slopes, jumping the rails in the Terrain Park, or belly-laughing with the family in the Snow Tubing Park, Ober Mountain is the perfect destination.

Ober Mountain started as the Gatlinburg Ski Resort in 1962 and has since created memories for millions of visitors as Tennessee's only ski area! Over 60 years as being the ultimate winter destination for skiers and snowboarders, Ober also stands as a year-round attraction with rides for the entire family to enjoy.

Ski Ober

If you have never been skiing or snowboarding, you are in good company. Ober is a beginner-friendly mountain. Rentals are available from head to toe and, with affordable lessons, picking up these sports is as easy as showing up!

If you are seeking the experience of a lifetime with your friends or family, our mountain is prepared. Yeti's Run, Ober Chute, Mogul Ridge, and Grizzly challenge even the most avid skiers and snowboarders.

Snow TUBE AT Ober

A fan favorite at Ober, the Snow Tubing park is sure to bring joy to your entire family (ages 3 & up). Hop on the Magic Carpet lift for an easy ascent up the hill. The Park features 10 lanes and a 50ft vertical drop for a pure rush of fun and adrenaline. Tubing is a fun way to enjoy the snow and doesn't require any special skills. Just sit down, hold on, and smile!

Skate Ober

Strap on a pair of skates and glide across Ober's indoor ice arena. The indoor ice arena is the centerpiece of Ober Mountain's enclosed mall and is open year-round - a great way to cool off on a sweltering summer day, or a crisp reminder to put you in the holiday spirit!

If ice skating is not your thing, take a seat in one of our new Ice Bumper Cars. Zoom across the ice, bump into other cars, or simply sit and spin in circles. No matter how you choose to ride, our Ice Bumper Cars are tons of fun!

CUBBIE SNOW ZONE

Make snow dreams come true!

Open during ski season, the Cubbies Snow Zone is a safe snow-filled area to play, built just for our little guests 48" and under.

ENCOUNTER WILDLIFE

Providing a home for over 15 species of rescued non-releasable wildlife, the Wildlife Encounter is a great place to see River Otters, Bobcats, Red Foxes and Birds of Prey.

Inside our Nocturnal House, you will also find Raccoons, Skunks, Owls and many others. While our Bears may be hibernating, our other critters are excitedly awaiting your visit!

A snowboarder in a teal and purple suit is captured mid-jump, performing a trick over a yellow inflatable that features a Bullseye logo. The background shows a snowy mountain slope with other people and a ski lift structure.
