- ◆ MOST DIFFICULT
- ◆◆ EXTREMELY DIFFICULT
- FREESTYLE TERRAIN
- ▨ SLOW SKIING ZONE
- TERRAIN PARK

These symbols indicate only the relative degree of difficulty of a particular slope or trail (compared with the other slopes and trails at Liberty Mountain Resort). Liberty Mountain Resort reserves the right to operate lifts in accordance with skier/snowboarder use and snow conditions.

OFFICIAL PARTNERS OF LIBERTY MOUNTAIN RESORT

Please Note It is unlawful to access any resort lifts without a valid lift access card or season pass or with a fraudulent lift access card or pass and will result in prosecution. Lift access cards are non-refundable.

First Aid Services For immediate assistance and to report all accidents, please call the Ski Patrol at 717-642-7014. Lift Attendants can notify Ski Patrol of accidents. All parties involved in a collision must exchange information and contact the Ski Patrol.

Slow Zones Certain areas (indicated on the map in yellow) are designated as SLOW ZONES. Please observe the posted slow zone areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated and may result in termination of your resort privileges.

Freestyle Terrain Freestyle Terrain may contain jumps, hits, ramps, banks, fun boxes, jibs, rails, half pipes, and other constructed or natural terrain features. Prior to using freestyle terrain, you are responsible for familiarizing yourself with all elements and landings and obeying all instructions, warnings, and signs. Freestyle skills require maintaining control on the ground and in the air.

Know the Code – Play It Safe Skiing and riding, in their various forms, are inherently hazardous sports. Trail and slope conditions change constantly with weather and use. It is your responsibility to avoid natural and manmade objects regardless of the presence of markings or other mitigation, and to avoid and use courtesy with other people. Liberty Mountain Resort uses many different types of marking devices to alert you to some hazards.

Your Responsibility Code

- Always stay in control. You must be able to stop or avoid people or objects.
- People ahead or downhill of you have the right of way. You must avoid them.
- Stop only where you are visible from above and do not restrict traffic.
- Look uphill and avoid others before starting downhill or entering a trail.
- You must prevent runaway equipment
- Read and obey all signs, warnings, and hazard markings.
- Keep off closed trails and out of closed areas.
- You must know and be able to load, ride, and unload lifts safely. If you need assistance, ask the lift attendant.
- Do not use lifts or terrain when impaired by alcohol or drugs.
- If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

SMOKING or VAPING IN THE LIFT LINE IS PROHIBITED

Backcountry Warning Skiing and Riding Off Open and Designated Trails: The ski area assumes no responsibility for skiers and riders going beyond the open and designated trails at Liberty Mountain. Areas beyond the open and designated trails are not patrolled or maintained. Unmarked obstacles and other natural hazards exist.

Liberty Mountain Off Trail Policy Wooded areas between designated trails within the ski area boundary are considered CLOSED Terrain and are not patrolled and have no skier/snowboarder services! If you ski/ride in wooded areas that are not designated trails, you are solely responsible for yourself and you are considered trespassing. Failure to observe these rules will result in the loss of your skiing/riding privileges. Do not ski/ride alone. Unmarked obstacles exist throughout.

Uphill Access Program – Hiking, Skinning, and Snowshoeing Non-lift access to ski area facilities such as uphill snowshoeing, hiking or “skinning”, may present high danger of personal injury to participants or others. Therefore, we have designated certain trails for uphill access, which may be limited or forbidden based on conditions, on-mountain activity, and/or mountain policy. To identify those trails that are available for use, call the Uphill Access Hotline at 717-642-8282. Resort rescue services are not available outside of hours of lift operations. Before you participate in any uphill activities, view our full policy at the Mountain Info tab on our website.

Snowcats and Snowmobiles CAUTION – snowcats, snowmobiles and snowmaking may be encountered at any time.

Sun Protection We recommend eye protection and sunscreen to ensure protection from UV rays.
