2 People ahead of you have the right of way. It is your responsibility to avoid them.

3 Do not stop where you obstruct a trail or are not visible from above.

4 Before starting downhill or merging onto a trail, look uphill and yield to others.

5 If you are involved in or witness a collision or accident, you must remain at the scene and identify yourself to the Ski Patrol.

6 Always use proper devices to help prevent runaway equipment.

7 Observe and obey all posted signs and warnings.

8 Keep off closed trails and closed areas.

9 You must not use lifts or terrain if your ability is impaired through use of alcohol or drugs.
