Terrain Zones

-  Certain Areas indicated in yellow are designed as slow skiing or teaching and learning areas. Please ski and snowboard slowly in these areas at all times. Slow skiing and riding are enforced in these areas.
-  Freestyle Terrain may contain jumps, hits, ramps, embankments, fun boxes, ribs, rails, half pipes, quarter pipes, snocross, freestyle jump boxes and other constructed or natural terrain features. Freestyle skill involves maintaining control on the ground and in the air. Prior to using freestyle terrain, it is your responsibility to familiarize yourself with and follow all instructions and warnings.
