Progression Park

Located on Canyon Trail, the new Burton Progression Park is a great introduction to freestyle terrain for Park-goers of all ages.

Entry-level Park riders can test the terrain park at their own pace with rails and fun boxes located just inches off the snow, along with gentle rolling jumps that allow riders to get the feeling of getting air for the first time.

BE SMART. FOLLOW THE GUIDELINES OF SMART STYLE.**LOOK BEFORE YOU LEAP - SCOPE AROUND THE JUMP FIRST****EASY STYLE IT - START SMALL AND WORK YOUR WAY UP (INVERTED AERIALS NOT RECOMMENDED)****RESPECT GETS RESPECT - FROM THE LIFT LINE THROUGH THE PARK****SMALL****MEDIUM****LARGE****LOOK BEFORE YOU LEAP!**

You are responsible for inspecting Freestyle Terrain before initial use and throughout the day. The features vary in size and change constantly due to snow conditions, weather, usage, grooming and time of day. Do not jump blindly. Use a spotter when necessary.

EASY STYLE IT!

Always ride or ski in control and within your ability level. Do not attempt Freestyle Terrain unless you have sufficient ability and experience to do so safely. You control the degree of difficulty you will encounter in using Freestyle Terrain, both on the ground and in the air.

RESPECT GETS RESPECT!

Respect Freestyle Terrain and others. Only one person on a feature at a time. Wait your turn and call your start. Always clear the landing area quickly. Respect all signs and do not enter Freestyle Terrain or use features when closed.
