### LEGEND

Skiers should be advised that a green circle, blue square or black diamond at Keystone is not necessarily the same as a green circle, blue square or black diamond at other resorts. The system is a relative rating of trails at each resort and does not compare trail difficulty between resorts. Skiers and riders should begin with the easiest terrain and then move up in difficulty as their ability permits in order to understand the relative rating at Keystone.

**ADVENTURE POINT™**  
970-496-4FUN  
RESERVATIONS RECOMMENDED  
TUBING  
The highest snow tubing park is here at Keystone, located at 11,640 ft on top of Dercum Mountain. Tubing at Adventure Point is a Keystone "must-do." This park has its own covered lift and is easily one of the most exhilarating activities your family can experience at Keystone. You can join us during the day or you can tube it up under the night lights. Reservations are recommended, as this is one of the most popular activities at Keystone. Tickets can be purchased at the Mountain Service Center located across from the River Run Gondola.

**SLOPECYCLES**  
The Slopecycle is the latest craze to hit the slopes. Enjoy the wild ride on a cross between a BMX bike and a snowboard

**SNOWBIKES**  
The Snowbike experience is a blend between skiing and downhill mountain biking. Easy to learn and considered by some to be the Ultimate Snow Toy.

**PEAK TO PEAK SNOWSHOE TOUR**  
Take this challenging trek from the top of Dercum Mountain up into the bowls. Intermediate level. Every Thursday, meet at 10 a.m. at the Nordic Center. Reservations required.

**NASTAR RACE ARENA**  
Race for Medals--Race for Fun! Open daily 10:30 a.m. - 2:30 p.m. weather depending.

**MOUNTAIN INFORMATION**  
**RIVER RUN VILLAGE MOUNTAIN SERVICE CENTER**  
Keystone's new Mountain Service Center located along the Snake River across from the state-of-the-art River Run Gondola is your headquarters for your winter vacation needs. Keystone is proud to offer our guests countless amenities all in one convenient location.

**SNOWMAKING/GROOMING**  
At over 650 acres of snowmaking, Keystone has one of the largest snowmaking operations in Colorado. Our snowmaking and grooming teams are focused on giving you the best snow surface quality. In fact we think we have the best grooming in Colorado.

**DAY LODGE FACILITIES**  
The Mountain House The Mountain House now offers all Day Guest Services under one roof. Services include: Guest Service desk & information center, basket check, lockers, restrooms, large "brown bag" eating area, vending machines, retail stores & restaurants. In the River Run base area, the basket check is located in the Buffalo courtyard between the Wolf Rock Brewery and Gorsuch. This location has basket check, benches and changing rooms. Also in the Buffalo courtyard is the Keystone Mountain Concierge, your information headquarters for dining and activities. Directly across from the River Run Gondola is the Mountain Guest Service Center where you can find Pass Sales, tubing ticket sales, guest services, restrooms and lockers. This year, free parking is available in both base areas for your convenience.

**50+ SKI WITH US**  
The Mountain House With Us is a complimentary guided ski program for all Keystone guests ages 50 and over. Guests of all abilities are welcome to participate in this free tour. The tours are led by a Keystone Guest Services Guide and they explore Keystone's best trails. Meet at the Summit House, on top of Dercum Mountain Thursdays at 9 a.m.; December 3 - March 25th.

## KEYSTONE SKI & RIDE SCHOOL

**KEYSTONE SKI & RIDE SCHOOL**  
Kids. Adults. Skiing. Snowboarding. Beginner. Expert. Corduroy. Bumps. Park. Pipe. Powder. Private or Group Lessons. It's a lot of options, but we make it simple by focusing on one thing--YOU. The time spent with a Keystone Instructor can have a remarkable impact on your mountain and resort experience. Our coaches can give you the confidence and advice you need so you can make the most out of your vacation.

## ENVIRONMENTAL STEWARSHIP

**ECHO**  
Keystone Resort ECHO, the Company's social responsibility and environmental stewardship program, enables us to preserve and care for our communities and the spectacular natural environment that surrounds our resorts. It encompasses three core efforts - charitable giving, volunteerism and environmental stewardship. It is our hope that Keystone Resort ECHO continues to reverberate positively in the places where we live, work and play for generations to come.

**APPETITE FOR LIFE--GOOD FOOD ON A GRAND SCALE**  
Keystone Resort believes good food is fuel for a life well lived. Our commitment is to provide our guests with wholesome high-quality options throughout their dining experience in our mountain dining locations as well as in our hotels.

- Sustainable Fish and Seafood
- Organic/Fair Trade Coffee
- TransFat free
- Natural meats, poultry and game where available
- Hormone free dairy
- Organic and seasonal produce
- Organic and/or local and regional wines, microbrewed beers, and spirits
- Signature dishes that showcase local and organic ingredients

**FOREST HEALTH**  
Promoting overall forest health is of critical importance to Keystone Resort not only because forests provide the spectacular natural settings for our five mountain resorts and neighboring hotels, but they also ensure clean water and abundant wildlife, and help mitigate climate change. [Resort Name] is working with the U.S. Forest Service on many forest health projects, including vegetation management plans at each of our resorts and one of the largest public-private restoration projects in the country to restore critical watersheds and habitat in the Hayman fire burn area.

In addition, Vail Resorts and the National Forest Foundation, the non-profit arm of the U.S. Forest Service, have partnered to raise \$1.5 million for local conservation projects that improve and enhance the forests in and around our resorts. Thanks to donations that are matched by the NFF, we've helped local non-profits build trails, improve wildlife

## PEAKS snow.com/peaks

You. Your family. PEAKS Rewards. Together at last. We know you enjoy skiing & riding at our five beautiful mountain resorts--and we enjoy rewarding you in return!

**GET MORE OUT OF YOUR VACATION**  
PEAKS Rewards is our discount and loyalty program that lets you get the most from your vacation at our resorts. With the PEAKS Rewards card, you can enjoy the convenience of skipping the ticket line and going straight to the lifts without ever having to use a paper ticket again. You will also enjoy resort charge privileges at participating locations--all while earning points. Your points can be redeemed for lift tickets, ski school and more. The more you earn, the more we reward. Last season was an incredible year, so don't wait to make plans for this season. We look forward to seeing you and your family on the slopes.

## ONE TICKET FIVE RESORTS

**MULTIPLE DAY TICKETS, MULTIPLE RESORTS**  
Experience Keystone, Breckenridge, Arapahoe Basin, Vail & Beaver Creek when you purchase multi-day lift tickets. Restrictions apply.

habitat and improve the overall health of our forests. Please visit the Ticket Office at the base of the mountain for information on how you can help in caring for our national forests.

**USE LESS ENERGY, DO MORE FOR THE ENVIRONMENT**  
Keystone Resort and its parent company, Vail Resorts, has set a new standard in the travel industry by focusing on energy conservation with the introduction last year of an innovative and aggressive companywide "Energy Layoff" program designed to reduce our energy use by 10% in two years. We achieved 6% in the first year through various measures such as more efficient grooming and snowmaking, reducing idle time for vehicles, lighting conversions, and more. We are working diligently on the remaining 4% and also announced the company plans to go "paperless" by late 2011, virtually eliminating 17 million pieces of paper printed each year.

**RECYCLING**  
Every year, Keystone Resort recycles over 1,000 tons of material. This is enough to save:  
• 9,700 trees from being cut down  
• 120 households worth of energy for 1 year  
• Over 1,400 tons of carbon dioxide and over 60 tons of methane from being emitted into the atmosphere.  
Please help keep Keystone clean and green by putting recyclable materials in the proper bins around the resort.

**COMPOSTING**  
Keystone Resort composts food waste at several restaurant locations, making a useful soil amendment out of waste that could have ended up in the landfill. Keystone has partnered with Summit County's High Country Composting facility to keep over 5 tons of food waste of the landfill every month.

**MOUNTAIN PINE BEETLE**  
The mountain pine beetle is affecting the western region of the United States, including Colorado. The beetle is part of nature's ecological cycle and attack older lodgepole pines killing them and turning them brown. Forest management practices are not able to prevent this, but experts predict that this natural cycle will provide a new and different regenerated forest in the future.

For more information about Keystone's environmental programs, visit [www.keystoneresort.com/environment](http://www.keystoneresort.com/environment)

## PLAY IT SAFE

### HEADS UP—KNOW THE CODE, IT'S YOUR RESPONSIBILITY YOUR RESPONSIBILITY CODE

Keystone Resort is committed to promoting skier safety. In addition to people using traditional alpine ski equipment, you may be joined on the slopes by snowboarders, telemark skiers or cross-country skiers, skiers with disabilities, skiers with specialized equipment and others. Always show courtesy to others and be aware that there are elements of risk in skiing and snowboarding that common sense and personal awareness can help reduce. Know your ability level and stay within it. Observe "Your Responsibility Code" listed below and share with other skiers the responsibility for a great skiing experience.

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

**UNMARKED OBSTACLES** Be advised that Keystone Resort does not mark all potential obstacles or hazards. When marked, poles, flags, fencing, signage, padding or other forms of marking are used to inform the skier/ rider of the location of a potential obstacle or hazard. These markers are no guarantee of your safety. It is part of your responsibility under the Your Responsibility Code and the Colorado Ski Safety Act to avoid all obstacles and hazards.

**COLORADO SKI SAFETY ACT** The Colorado legislature, recognizing risks that are inherent in the sport, has passed the Colorado Ski Safety Act which provides inherent risks of the sport and relative responsibilities of the "skier" and the ski area. You must obey the Act. Under the Act, any person using the facilities of a ski area is considered a skier. A summary of the inherent risks is listed below:

### WARNING

Under Colorado law, a skier assumes the risk of any injury to person or property resulting from any of the inherent dangers and risks of skiing and may not recover from any ski area operator for any injury resulting from any of the inherent dangers and risks of skiing, including: changing weather conditions; existing and changing snow conditions; bare spots; rocks; stumps; trees; collisions with natural objects, man-made objects, or other skiers; variations in terrain; and the failure of skiers to ski within their own abilities.

The Ski Safety Act was amended in 2004 to include CLIFFS, EXTREME TERRAIN, JUMPS AND FREESTYLE TERRAIN as inherent dangers and risks of the sport.

**TRAIL DESIGNATIONS** Skiers and Riders should be advised that a green circle, blue square, single or double black diamond, or orange oval at Keystone Resort is not necessarily the same as a similar designation at other resorts. The system is a relative rating of trails at each resort and does not compare trail or park difficulty between resorts. Skiers and Riders should begin with the easiest terrain and then move up in difficulty as their ability permits in order to understand the relative rating at Keystone Resort.

### "SMART STYLE" IN FREESTYLE TERRAIN

**MAKE A PLAN** Every time you use Freestyle Terrain, make a plan for each feature you want to use. Your speed, approach and takeoff will directly affect your maneuver and landing.

**LOOK BEFORE YOU LEAP** You are responsible for inspecting Freestyle Terrain before initial use and throughout the day. The features vary in size and change constantly due to snow conditions, weather, usage, grooming and time of day. Do not jump blindly. Use a spotter when necessary.

**EASY STYLE IT** Always ride or ski in control and within your ability level. Do not attempt Freestyle Terrain unless you have sufficient ability and experience to do so safely. You control the degree of difficulty you will encounter in using Freestyle Terrain, both on the ground and in the air.

**RESPECT GETS RESPECT** Respect Freestyle Terrain and others. Only one person on a feature at a time. Wait your turn and call your start. Always clear the landing area quickly. Respect all signs and do not enter Freestyle Terrain or use features when closed.

**ELECTRONIC DEVICES** Keystone Resort discourages the use of electronic devices - cell phones, music players, or earphones - while skiing and snowboarding, or loading and unloading lifts.

**LIFT SAFETY** Under Colorado law, you cannot board a lift unless you have sufficient physical dexterity, ability and knowledge to negotiate or to use such lift safely or until you have asked for and received information sufficient to enable you to use the lift safely. You may not use a lift or any ski trail when under the influence of drugs or alcohol.

**SNOW CATS AND SNOWMOBILES** CAUTION-- snowcats, snowmobiles and snowmaking may be encountered at any time.

**SLOW ZONES** Certain areas (indicated on the map in yellow) are designated as SLOW ZONES. Please observe the posted slow areas by maintaining a speed no faster than the general flow of traffic. Space and speed are especially important in these areas. Fast and aggressive skiing will not be tolerated.

**HELMET USE** Keystone Resort encourages our guests to wear a helmet. While helmets may mitigate or reduce the severity of some head injuries, their use does not guarantee safety and will not prevent certain injuries. Keystone Resort reminds you that every winter sport participant shares responsibility for his or her safety and for that of others using the ski area facilities.

**BACKCOUNTRY WARNING** Pursuant to the Colorado Ski Safety Act, the ski area assumes no responsibility for skiers going beyond the ski area boundary. To access the backcountry, use designated gates only. Areas beyond the ski area boundary are not patrolled or maintained. Avalanches, unmarked obstacles and other natural hazards exist. Be aware: the backcountry avalanche hazard may be extreme. Rescue in the backcountry, if available, is the responsibility of the Summit County Sheriff. It will be costly and may take time.

**HIGH-ALTITUDE ENVIRONMENT** Some visitors may experience symptoms associated with Keystone Resort's high altitude. Symptoms may include headaches, nausea, loss of appetite, restless sleep, coughing and difficulty in breathing. If symptoms persist or if you have a concern about your health, you should seek medical attention.

**PROTECT YOUR SKIING AND RIDING** Keystone Resort would like to remind you that your ticket or pass is non-transferable and may not be resold or used by anyone other than the person to whom it was issued. Please report lost or stolen passes to resort staff or law enforcement immediately. Resort staff may ask you to show your pass or ticket at any time. Failure to show a valid pass or ticket or engaging in fraudulent behavior of any kind may result in loss of skiing and riding privileges or criminal prosecution.
