

3 YOU MUST SKI

EASIER

- CAMPBELL'S CANYON**
New skiers can exit from Horseshoe and take the easy way down to test their skills.
- HORSESHOE**
A wide gently rolling slope which is perfect for practicing turns and building confidence.
- OUT RIDER**
Get away from it all. Ski Triple Traverse to Out Rider and catch Boomerang at the bottom.

MORE DIFFICULT

- LITTLE DIPPER**
A cruiser's dream with wide rolling terrain that is known to have corduroy into the afternoon.
- ROLLERCOASTER**
True to its name with twists and steep pitches that will get your heart racing. Enjoy the ride!
- OSTRANDER ALLEY**
Intermediate skiers head here on fresh snow days to experience first tracks on the varied terrain.

MOST DIFFICULT

- MILLENNIUM**
Core Panorama cruising! Challenge your technical skills and ride exciting terrain.
- FRITZ'S**
A Panorama locals' favourite with its consistent steep pitch and immaculately groomed surface.
- STUMBOCK'S**
A true mountain classic, this usually bumpy trail meanders its way through the wilderness.

EXPERT ONLY

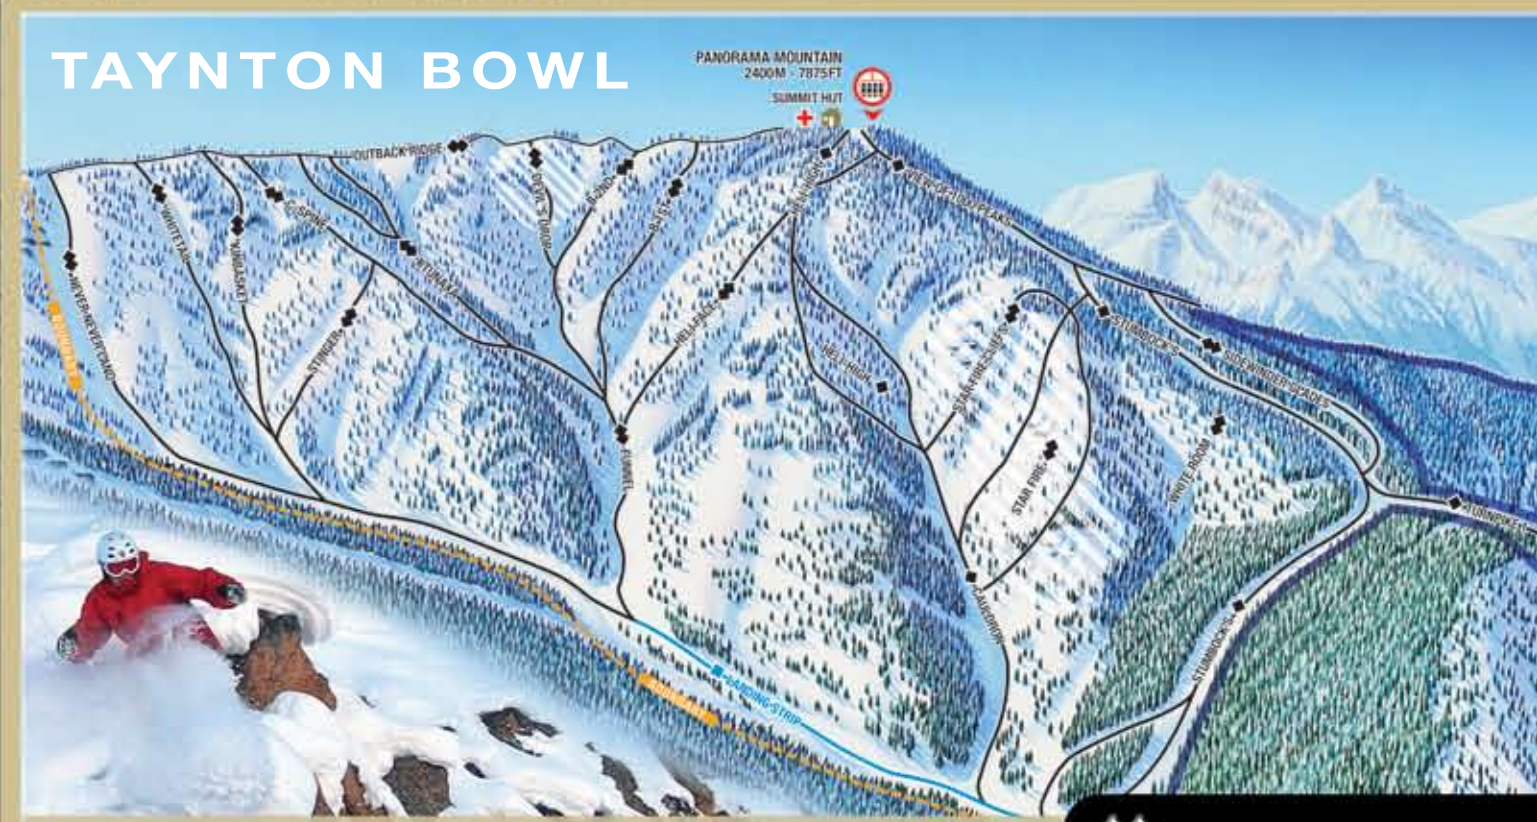

- GUNBARREL**
It's steep and reasonably wide, but don't get complacent - there's a narrow chute at the end.
- SIDEWINDER GLADES**
It's a thrilling adventure full of steep pitches and wild terrain through a well gladed area.
- HELI-HIGH**
The ultimate ridge run with open trees leading to the tight and technical Cauldron.
