WE HAVE IT ALL FOR YOU

For family fun and breathtaking mountain scenery, Panorama Mountain is the place to be. The slopes vary from the beginner area with its easy to ride platter lift to the challenging expert runs which were the site of the 1976 Canadian National Downhill Championships. The mountain is serviced by a 5200' T-Bar and a 5000' double chairlift which together provide 3100 vertical feet of "powderfull" skiing. In between runs or after a memorable, line-up-free day, relax in the day lodge with a coffee or cocktail while enjoying a view of the mountain's activities.

Panorama Ski School, under the direction of Nick Feldmann, provides instruction and guidance in both downhill and cross country skiing. Rental equipment is available from the ski shop.

The nearby communities of Invermere and Radium Hot Springs offer complete facilities for family dining, accommodation and apres ski fun. There are 600 hotel and motel rooms within 30 minutes driving time of the ski area. Food outlets range from pizza parlors and family restaurants to gourmet dining in luxury lodges. Bud's discotheque in Invermere swings nightly and is an integral part of the ski week entertainment.

THIS YEAR THE ROAD TO THE SKI AREA WAS TOTALLY REBUILT AND IS EASILY ACCESSIBLE WITH WINTER TIRES ONLY.
