Skier Responsibility Code

The points listed in the Cross-Country Responsibility Code are the “rules of the road” when you are in the Park. The primary safety consideration and obligation under the Cross-Country Responsibility Code is to ski in a controlled and responsible manner. Failure to follow the Cross-Country Responsibility Code may result in withdrawal of access privileges.

There are elements of risk that common sense and personal awareness can help reduce. Regardless of how you decide to use the trails, always show courtesy to others. Please adhere to the code listed below and share with others the responsibility for a safe outdoor experience.

1. Always check posted trail conditions.
2. Ski in the direction indicated and obey all posted signs and warnings. Keep off closed trails.
3. Always ski to the right when meeting on-coming skiers and when skiing on double track.
4. Yield the track to faster skiers and skiers calling 'track'.
5. Ski in control. On two-way trails, descending skiers have the right-of-way.
6. Do not stop where you obstruct a trail or are not visible to others. Move off the track quickly if you fall or during rest stops.
7. Do not litter. Take out what you pack in. Respect all property.
8. Report all incidents.

The Park also recommends that you never ski alone.

Know the Code — be safety conscious.  
It is your responsibility.
