

# MT. HOOD MEADOWS

## SKI RESORT

### KNOW THE CODE

1. Always stay in control, and be able to stop or avoid other people or objects.
2. People ahead of you have the right of way. It is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

### OREGON SKIER STATUTE ORS 30.970 TO 30.990

Violation of any of these duties entitles the ski area operator to withdraw the violator's privilege of skiing. The following are excerpts from the statute. References to "Skiers" & "Skiing" include skiing, snowboarding and other winter activities.

- Skiers accept and assume the inherent risks of skiing (in so far as they are reasonably obvious, expected or necessary).
- Skiers who ski in any area not designated for skiing within the permit area assume the inherent risks thereof.
- Skiers shall be the sole judges of the limits of their skills and their ability to meet and overcome the inherent risks of skiing and shall maintain reasonable control of speed and course.
- Skiers shall abide by the directions and instructions of the ski area operator.
- Skiers shall familiarize themselves with posted information on location and degree of difficulty of trails and slopes to the extent reasonably possible before skiing any slope or trail.
- Skiers shall not cross the uphill track of any surface lift except at points clearly designated by the ski area operator.
- Skiers shall not overtake any other skier except in such a manner as to avoid contact and shall grant the right of way to the overtaken skier.
- Skiers shall yield to other skiers when entering a trail or starting downhill.
- Skiers must wear retention straps of other devices to prevent runaway skis.
- Skiers shall not board rope tows, wire rope tows, j-bars, t-bars, ski lifts or other similar devices unless they have sufficient ability to use the devices, and skiers shall follow any written or verbal instructions that are given regarding the devices.
- Skiers, when involved in a skiing accident, shall not depart from the ski area without leaving their names and addresses if reasonably possible.
- A skier who is injured should, if reasonably possible, give notice of the injury to the ski area operator before leaving the ski area.
- Skiers shall not embark or disembark from a ski lift except at designated areas or by the authority of the ski area operator.

9,000 Ft. TOP OF SUPERBOWL SKIING	15% ADVANCED
3 MILES LONGEST RUN	20% EXPERT

**IN CASE OF ACCIDENTS**

- Place skis upright and crossed in the snow above the scene of the accident.
- Report the accident to a ski patrol employee or to any lift station.
- For quickest assistance, please remain calm and give an accurate location and nature of the injury.
- In the event of a collision with another skier or rider, Mt. Hood Meadows requires those involved, including witnesses, to stop and render any reasonably necessary assistance and upon request present identification or supply his/her name to resort personnel, ski patrol members, or the other injured skier.

**NORDIC CENTER**

Meadows Nordic Center offers 15 km of groomed trails that are power tilled to create both molded tracks and skating lanes. Scheduled Thur-Mon + Holidays, 9AM-4PM.

**TRACK**

Half/Full Day Adult	\$9/\$12
Full Day Junior	\$7
Half/Full Day Senior	\$7/\$9

**RENTALS**

LESSON	\$22
SEASON TRACK PASS	\$80

**PARK SMART** Meadows offers parks with small, medium and large features. Make sure you choose the right-sized park for your ability.

**PROVIDENCE** Hood River Memorial Hospital

**SMART STYLE** This orange oval designates Freestyle Terrain such as parks and pipes. Smart Style represents Freestyle Terrain safety. Know it, Respect it, Use it!

**MAKE A PLAN** Every time you use freestyle terrain, make a plan for each feature you want to use.

**LOOK BEFORE YOU LEAP** Scope around the jumps first, not over them. Know landings are clear and clear yourself out of the landing area.

**EASY STYLE IT** Start small and work your way up. (Inverted aerials not recommended).

**RESPECT GETS RESPECT** Respect the terrain and others • One person on a feature at a time • Wait your turn and call your start • Always clear the landing area quickly • Respect all signs and stay off closed terrain and features.

**THE ATML METHOD:** EACH FEATURE CAN BE BROKEN DOWN INTO 4 ZONES.

**Approach zone** is the space for setting your speed and stance to use the feature.

**Takeoff zone** is for making moves that start your trick.

**Maneuver zone** is for controlling your body in the air and setting up for landing.

**Landing zone** is the prepared slope between the knuckle and the runoff beyond it.

**SNO-PARK PERMITS**  
Required November 1st - April 30th to park in Oregon Department of Transportation maintained parking areas (including the Mt. Hood Meadows parking lots). Permits are available at our concierge and at the Hood River Meadows Skier Services Center or at any DMV office and many sporting goods stores. Purchase permits for \$25/season or \$5/day. Parking in an Oregon Sno-Park without a permit may result in a fine of \$30 or more.

**RV PARKING**  
Meadows maintains up to 14 overnight RV parking spaces available on a first come first serve basis. RVs must be self-contained as no services or utilities are available. Vehicles require a Sno-Park permit and an overnight parking permit available at the parking office. The Overnight RV Parking space is located in a designated area in the resort's main lot. Two night maximum stay applies.

## HEATHER CANYON CLARK CANYON PRIVATE RESERVE

**Vertical PERFORMANCE INSTITUTE**

Lift your clients or staff to new heights this year in a breathtaking setting with superb catering in the Vertical Performance Institute!

## HEATHER CANYON, CLARK CANYON AND PRIVATE RESERVE

**Gate Access Only** ♦♦ ♦♦♦

Access to Heather Canyon, Clark Canyon and Private Reserve is through access gates only. These areas are not patrolled on a regular basis and avalanche danger exists at all times. You may be entering tightly wooded and cliffed terrain. Beware of waterfalls, creek holes, and other unmarked obstacles. Names shown are for reference only and are not designated trails or runs.

*Skiing/Riding with a partner and carrying a beacon, probe, and shovel are highly recommended. Closure violators will lose lift privileges and may be criminally trespassed.*

**AVALANCHE MITIGATION ADVISORY:**  
Mt. Hood Meadows uses several methods for avalanche reduction including remote delivery systems. Mitigation work may be in progress at any time. **Stay out of closed areas!**

**DON'T CROSS A CLOSED BOUNDARY!**  
Mt. Hood Meadows has both internal and exterior boundaries designating closed areas. Entering a closed area, crossing a closed boundary, or entering an open area by crossing over or under boundary rope rather than through gates will result in loss of lift privileges and potential criminal trespass proceedings. Accessing a closed area/boundary requiring search and rescue efforts will result in a minimum **\$1,000 Rescue Fee. STAY OUT OF CLOSED AREAS!**
