● Courses ●

■ Daibetto Champion Course

The most popular slope of Joetsu Kokusai, 700 meters (2,300 feet) long with its 38 degrees steep hill. Some slopes are press flattened everyday so that they are good for smooth and straight skiing. Regular slopes are enjoyable for mogul skiers. Easier detours are prepared for the challenging beginners or intermediate skiers or snowboarders.

■ Osawa Giant Course

SAJ approved GSL course. 1,200 meters (4,000 feet) long, 31 degrees at the steepest.

■ Family Woodland Course

6 km (4 miles) long course from the top of Panorama slope all the way down to the ski site entrance. Even the beginners can enjoy the panoramic view from the top of the mountains with the moderate way back through easy slopes downhill.

■ Panorama Slopes

Switch two "Quad (4-seated)" lifts from right in front of the hotel will take you up to the panoramic view of Niigata mountains.

Good for beginners and intermediate skiers with their fine snow slopes, particularly loved by ladies.

■ Atema Slopes

Northern slopes have a lot of powder snow with less people, ski/snowboard enthusiasts' place.

■ Snow Park (Nagamine Halfpipe, Daibetto Halfpipe, Snow Park)

Perfectly maintained by pipe designers and specialized staffs, half pipes and snowboard jumps and other attractions are waiting for you. Skiers are welcome, too.

■ Kid's Paradise

Easy slope for kids, conveniently located right in front of the hotel.

Kids can enjoy snow, and the "Ski Band", the moving walkway taking them up the hill.
