

3 YOU MUST SKI

Campbell's Canyon

New Skiers can exit from Horseshoe and take the easy way down to test their skills

Horseshoe

A wide, gently rolling slope perfect for practising turns and building confidence

Out Rider

Get away from it all! Ski Triple Traverse to Out Rider then Boomerang to the bottom

Sun Bowl

A different run each time! Connect via Alive Glades, Sunburst or Sun Bowl Trail

Rollercoaster

True to its name, with twists, turns and steep pitches to get your heart racing

Ostrander Alley

Head here first on fresh snow days and lay some first tracks on the varied terrain

Millennium

Core Panorama cruising! Challenge those technical skills and ride exciting terrain

Fritz's

A locals' favourite, with consistent, steep pitch and immaculately groomed surface

Stumback's

A mountain classic that meanders through BC wilderness, now double the width

Gunbarrel

It's steep and reasonably wide, but don't get lazy in the narrow chute at the bottom

Sidewinder Glades

The thrilling adventure of steep pitches and wild terrain through a well gladed area

C-SPINE

Hike and glide across Outback Ridge to the massive NEW swath of gladed terrain

Mountain Stats
