**Forest Supervisor's Closure**  
The purpose of the Forest Supervisor's closure is to mitigate potential effects to Canada Lynx habitat.

**Naturally Divided Terrain**  
At Copper, naturally divided terrain actually separates skiers and snowboarders by their ability levels. This award-winning trail system is part of the reason Copper is considered one of Summit County's favorite resorts.

**Free Snowcat Access**  
Free Tucker Mountain Snowcat Access is as close to a backcountry experience as you'll find inside any resort. Access Tucker Mountain by hiking the West Ridge of Copper Bowl or by taking a FREE ride in a Tucker Mountain Snowcat. Cats run from 10am to 1:30pm on select days. Cat operations, terrain openings and conditions may vary and are subject to change. Tucker Mountain closes at 2pm.

**Ski Area Boundary Closed. Access National Forest Only Through Access Point.**

**Ski Patrol**  
The members and avalanche dogs of the Ski Patrol welcome you to Copper. Look for Ski Patrol in black jackets and red vests with crosses. Please feel free to ask any patroller or other mountain personnel for information or assistance.  
  
**If someone is injured or in a collision:**  
Cross skis uphill from the incident and send someone to report the location, type of injury and description of the injured skier. Call SKI PATROL at 970-968-3311.
