## Ungroomed Zone

These areas are intentionally left ungroomed to allow for the enjoyment of fresh powder and moguls.  
 \* Ungroomed areas may be expanded according to snowfall. During busy periods, such as weekends, and when trail conditions are deemed dangerous, these areas may be groomed.  
 \* Beginner skiers and those without adequate equipment should not enter these areas.  
 \* Access to these areas is restricted to advanced skiers when weather and/or trail conditions are poor.  
 \* Only enter these areas with a buddy, do not ski alone.
